

MIKE G MARCH 2025 PRESS RELEASE

MIKE G'S NEWEST LP *PALLADIUM* RELEASES APRIL 6, 2025

Mike G knows exactly what he wants to say. He chooses his words and phrases carefully. He speaks from a place of truth and unfiltered honesty that would tempt the listener to call it brutal if his wordplay and melodic cadences weren't so buttery and smooth. *Palladium* is no exception, and even takes it a step further granting the listener an intimate preview of what can only be described as the Memoirs of an Understated Icon. Mike G's most transparent project yet takes listeners on a journey of self-awareness and good vibes with the subtle, everpresent dare of "try me if you want to". A remarkable life and professional journey has given him a lot to say. Hot on the heels of "Verses GT3", he reached mass praise and acclaim through a live performance with Amazon Music and two features with On The Radar that gave audiences a version of Mike G they've never seen before. This Mike G knows exactly who he is and what he was born to do, and it's more clear than ever that he's coming for everything that's his. Between the loss of close friends gone too soon, his evolution as an artist and a man, and a genuine gratitude for "the good life" he now enjoys, the monolithic talent tells his story in hologram, inviting fans and listeners along for the ride in his April 6, 2025 LP offering, *Palladium*- preceded by the March 30 release of the visual for his Single "Mercy", as debuted by On The Radar.
